Kabelwerk **EUPEN** AG

Rev.: 00/2005-12-14

cable

Pressure Windows

Pressure windows must be installed as close as possible to the antenna input when the latter is not pressurised or does not have a built-in window.

PRESSURE WINDOWS

Connector type	Cable type	Thickness	Flange type	Ref.
EUROPE	EU 63	2 mm	flat/flat	EU-PW63-UU70*
