It is with deep sadness that we bid farewell to our president and chairman of the board of directors

Mr. Alfred Bourseaux

He passed away on Saturday, March 7, 2026, at the ripe old age of 97. Until the very end, he was a regular presence at work and kept abreast of the company's affairs.

He had been with the company since 1950, serving as a managing member of the Board of Directors since 1960 and as Chairman of the Board of Directors since 1976.

With tireless dedication, foresight, and entrepreneurial courage, he led the plant and contributed significantly to its expansion.

The company and its employees owe him a debt of gratitude for his willingness to listen and his commitment to acting in an entrepreneurial and socially responsible manner. Prudent and reserved, more thoughtful than impulsive, he sought to make decisions that were always in the best interests of the company and the families of the employees for whom he felt responsible.

His economic achievements, social commitment, and cultural activities set an example and were recognized, among other things, with his elevation to the nobility as a Chevalier and the award of honorary citizenship of the city of Eupen.

His work and his values will continue to be a commitment and an inspiration to us in the future.

We are deeply grateful to him and will remember him fondly; we will miss him greatly.

Our sympathy and condolences go out to his family and all his loved ones.
